Case No.: 1-19-cv-03372-AMD-RML

Date December 8, 2020

Hon. Ann M. Donnelly
 United States District Court
 Eastern District of New York
 Dear Judge Donnelly,

*Rec. in p drive 4/13/21 rg

I Yehuda Herskovic am the plaintiff in this action and write to the Court to address (1) Defendant's lie that I had not "initiated an arbitration" (ECF 42), (2) Defendant's attempt to divert the complaint from the Better Business Bureau (BBB) to its "Verizon Wireline team" instead of holding the purported arbitration, (3) Despite having premium communication with the BBB, Defendant still filed with the Court a false "supplemental status report re arbitration" that Plaintiff "is currently in the process of attempting to initiate the arbitration" (ECF 44), and (4) Defendant's willful misconduct warrant sanctions.

The Court overruled my objection to the presence of an arbitration agreement and ordered that I file a "demand for arbitration" (ECF 39). On March 15, 2021, I filed under dispute a "demand for arbitration" with the BBB. See ECF 41.

On March 19, 2021, Defendant was served with a copy of the demand. (See ECF 41-1 at the last page). Given that Defendant is represented by counsel, the demand was served upon counsel, instead of directly serving the Defendant.

Despite having received the copy of the "demand for arbitration", on March 31, 2021 Defendant filed a false status report stating that "As of the date of this filing, Plaintiff has not yet initiated an arbitration. Defendant respectfully requests that this action be dismissed." (ECF 42).

On March 25, 2021, Defendant confirmed with the BBB that it received the demand for arbitration and labeled it as a "complaint." (Exhibit A).

In addition, at the BBB, Defendant is playing a different game, instead of the matter facing an arbitrator, Defendant unilaterally "determined the customer's concern should be addressed by our Verizon Wireline team. Per BBB guidelines, please forward Yehuda Herskovic's complaint to the appropriate Verizon Team." (Exhibit B).

In other words, Defendant is misusing the purported order compelling arbitration to stonewall Plaintiff's claim. Instead of Plaintiff having his claims heard by an arbitrator, Defendant is attempting to usurp the role of the judge while being the offender.

On April 6 and 7, 2021, I called Defendant's counsel by phone, stated the foregoing history, and explicitly requested that they withdraw their false status report, which falsely claims that "As of the date of this filing, Plaintiff has not yet initiated an arbitration." Defendant refused.

Instead, Defendant doubled down and filed another false "supplemental status report re arbitration" that Plaintiff "is currently in the process of attempting to initiate the arbitration" (ECF 44). Defendant is echoing the same lie despite acknowledging to Plaintiff that the disputed demand for arbitration complies with the Court's order.

It is apparent that by filing two false status reports, Defendant seeks to prejudice Plaintiff with an unjust dismissal. In the alternative, Defendant seeks to multiply the proceedings in this case unreasonably and vexatiously. Defendant should be sanctioned for filing a knowingly frivolous document that is devoid of a colorable basis in law or fact.

Defendant is the one who demands that a purported customer agreement requires that all claims between the parties should be resolved in arbitration. (ECF 13, 13-3, 13-5, 13-6). According to the purported customer agreement, Defendant unilaterally designated the BBB as an arbitrator. Yet, when it comes to the purported arbitration, Defendant is seeking to divert the matter to its own personnel instead of the BBB. It is obvious that when filing the motion to compel arbitration, Defendant did not disclose that their version of arbitration means no adjudication on the merits, but a plain whitewash of my claims. **Essentially, Defendant revoked the arbitration proceedings by diverting the matter to its own personnel.** The Court should therefore direct that this matter continue before the Court in a judicial proceeding and the order compelling arbitration recalled.

Respectfully submitted,

Yehuda Herskovic, yhm1234@yahoo.com, 347 731 8818
